

Teachers of EBACC Subjects

We are always keen to meet teachers of EBACC Subjects who are interested in joining our school and visits are encouraged prior to submitting applications. We are pleased to provide the opportunity for candidates to see us on a normal working day.

We are always keen to appoint enthusiastic, inspirational and motivated Teachers to join our Staff. The Bicester School is a supportive and team-orientated school graded as “Good” in all categories (Ofsted May 2014). Successful candidates will have a passion for their subject and will inspire and engage our students across all Key Stages.

Our staff have strong classroom management skills and excellent subject knowledge. We encourage our staff to be creative and innovated and have high standards to ensure that students achieve or exceed their potential.

At The Bicester School we pride ourselves on having successfully created an ethos that is nurturing, but challenging, and fully inclusive to all staff and students.

Further information including our application form can be found under the “About Us” tab of our website: www.thebicester.org.uk. Please contact our HR department by email: hr@thebicester.org.uk or telephone: 01869 243331 to arrange a visit or discuss our vacancies.

Due to this post having access to children and/or vulnerable adults, candidates will be required to undertake a Disclosure and Barring Service check. The possession of a criminal record will not necessarily prevent an applicant from obtaining this post, as all cases are judged individually according to the nature of the role and information provided.

The Bicester School is committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment.
