

17th January 2017

Dear Parent/Guardian,

Year 9 Options Evening – Wednesday 1st February - 4.30-6.30pm - Lecture Theatre & Library

On Wednesday the 1st of February we are holding our Year 9 options evening. This is an opportunity for students and parents to discuss with staff the subjects that they wish to study from September 2017 through to examination in Year 11.

The evening will involve a brief presentation in the lecture theatre and an opportunity to discuss individual choices with teachers from specific subjects. To accommodate the entire year group and to ensure that the information is available to all, we will run a presentation at 5.15pm in the lecture theatre. There will be opportunities both before and after the presentation to discuss individual choices with subject teachers and department staff.

Everybody will receive an options booklet detailing the specifics of the courses on offer as well as a personalised form to fill out and return to student reception by 24th February confirming their preferences.

I look forward to speaking to you on the 1st, if you are unable to attend please contact me on tim.marston@thebicesterschool.org.uk.

Yours sincerely

Tim Marston
Deputy Headteacher
