

Monday 11th June – all students in school all day

Tuesday 12th June – Maths exam p1 & 2. Period 3 all students go to science. Students can leave school at the start of lunch to study at home. Students are welcome to stay in school and revise in the library if they prefer.

Wednesday 13th June – Science exam p1 & 2. Spanish students to have a revision lesson p3. They can leave at the start of lunch unless they wish to stay in school to study. If students do not do Spanish, they can leave after the science exam.

Thursday 14th June – If students do not have an exam they can study from home if they choose to. A science teacher is available each period during the day if students want to come in for specific help. Students sitting exams (Spanish AM and Food PM) can come into school just for the exam if they wish. If they would rather work in school, they are very welcome to do so.

Friday 15th June – Science exam p1 & 2. All students can leave school after this exam.

From Monday 18th June until exams finish, students will only be required to be in school for lessons in subjects with exams still to take.

BTEC students may be required to stay in school to finish their assignments. They should go to Sue in the library to do this. She will let them know when they are able to leave.

Any questions, please email Miss Le Brun.
