

Dear Parent/Guardian,

Year 10 Core Curriculum Information Evening

We would like to invite you to our Year 10 Core Curriculum Information Evening, which takes place on Thursday 24th October from 6pm to 7pm in The Hinksey Building (The Sixth Form Centre).

You will be introduced to an overview of the next two years as your son/daughter studies for their GCSEs by myself, and then you will be able to meet the Heads of English, Maths and Science, who will explain what your son/daughter will study and how we can best support them over the next two years.

It is important that at least one parent or career tries to attend this event, so you can help your child over the next two years in their academic study, and you are aware of what support we will offer as a school, and how we can support you at home.

Please can you complete this link to let us know if you can attend:

<https://forms.office.com/e/qccjktSTts>

We look forward to seeing you on the night, and for your support as we prepare your child for their GCSE examinations in 2026.

Yours Sincerely,

Sarah Morey

Assist Head (SLT – attendance)
